

E-ACT Fairlawn
Primary School

YEAR 6 HOMEWORK

DATE GIVEN: 22.11.24

DATE DUE: 29.11.24

Don't forget!

- Can you complete a Reading Challenge this week and add another leaf to your class tree?
- Are there any school-wide competitions that you would like to enter?
- Could you give yourself a challenge to create a poster/rap/poem/presentation about something you have learnt this week?

Remember that exercise is crucial for our brain health – don't forget to be active as much as you can too!

EXPECTATIONS

- Aim to read aloud to an adult at least 2 times a week and read independently as much as possible
- Practice your spellings at least 3 times a week, either by doing activities on Spelling Shed or completing the worksheet
- Practise your times tables at least 3 times a week, either on Times Table Rockstars or by recounting them out loud to an adult/friend/sibling/pet/toy/tree.

MATHS

Multiplying a Fraction by a Whole Number

$$\frac{1}{3} \times 4$$

First, put the whole number over 1 so that it is a fraction.

$$\frac{1}{3} \times \frac{4}{1}$$

Multiply the numerators together, and multiply the denominators together.

$$\frac{1}{3} \times \frac{4}{1} = \frac{4}{3}$$

Can your answer be simplified?

$$\frac{4}{3} = 1 \frac{1}{3}$$

$$\frac{1}{2} \times 4 = \boxed{}$$

$$\frac{1}{3} \times 5 = \boxed{}$$

$$\frac{1}{4} \times 3 = \boxed{}$$

$$\frac{1}{5} \times 2 = \boxed{}$$

ENGLISH

Remember: **Determiners** are words that go *before nouns* to give more information about them. They help us understand which one, how many, or whose noun we are talking about.

Underline the **determiners** in these sentences.

Several angry members of the ministry held a meeting.

The witches gathered on their broomsticks.

Some wizards joined the witches.
